This brochure covers the main elements of your group insurance plan.  
For a complete description, please consult your booklet  
on the plan member portal.

The premium rates shown in this brochure include 9% tax.

It is mandatory for the eligible owner or shareholder to participate in the group insurance plan on the date they become eligible for the healthcare insurance benefit under the chosen module (subject to the right of exemption or the end of the right of exemption).

The eligible owner's or shareholder's participation in the other benefits is optional. However, if they want to register for optional benefits, they must register for all the benefits included in the chosen module.

# Definition of total disability

Any state of continuous disability resulting from an accident or illness that prevents the plan member from performing the main duties of their regular occupation.

Any state of continuous disability resulting from an accident, illness, complication of pregnancy or organ donation that prevents the member from performing the main duties of their regular occupation during the long-term disability insurance waiting period and the 20 months following this same period of disability.

If this condition lasts for more than 20 months, it must prevent the plan member from performing any paid occupation or from doing any work that might provide them with wages or profit of any kind (occupation or work they are reasonably prepared for by education, training or experience, regardless of the availability of employment).

---

## Module change

The plan member may change modules after a minimum of 2 consecutive years with a module.

For a change requested due to a life event, the minimum period of 2 consecutive years with a module does not apply. The plan member must request the change within 31 days of the life event.

The change of module applies on the first day of the month following the date on which the request is received by Desjardins Insurance.

---

Module changes must be made by moving up or down one level at a time.

It is therefore possible to move from Module 1 to Module 2, from Module 2 to Module 3, from Module 3 to Module 4, or vice versa, from Module 2 to Module 1, from Module 3 to Module 2, or from Module 4 to Module 3.

## Increasing coverage type

A plan member who wishes to increase any type of coverage after a life event must do so using the enrollment form. This must be completed within 31 days after the life event in order for the new type of coverage to apply as of the date of the event.

---

If the 31-day deadline is not respected, the new type of coverage will apply on the first day of the month following the date Desjardins Insurance receives the request.

## Reducing coverage type

If a plan member wants to reduce any type of coverage after a life event, they must do so using the enrollment form. This must be completed within 31 days after the life event in order for the new type of coverage to apply as of the date of the event.

If the 31-day deadline is not respected, the new type of coverage will apply on the first day of the month following the date Desjardins Insurance receives the request.

# Employee Assistance Program

The Employee Assistance Program<sup>(3)</sup> provides plan members with support to help with their psychological and personal problems. This program is designed to improve health and well-being.

Telephone number: 1-877-455-3561

## **This program includes:**

- 12 hours of psychological support per family, per year of coverage, by telephone, online or in person, including ICBT supervised by a dedicated professional
